Adopt an Athlete

www.gorustlers.ca

Our student-athletes dedicate up to 17 hours a week training and competing in their chosen sport. Due to the time commitment associated with being a student-athlete, they can't have a part-time job to offset the costs of a post-secondary education.

Adopt an Athlete program provides financial support, enabling the student-athletes to focus on their studies and sport.

Your financial assistance is critical to the continuation of academic and sport excellence at Lakeland College.
