Students complete assignments in the practicum booklet during the practicum. Practicum booklets are available for the assigned instructor to mark during the mid-term visit.

Evaluation Procedures

Students are evaluated through direct observation by Practicum Supervisors. Students engage in online discussions and submit assignments directly to their Assigned Instructor.

Mid-Term Evaluation

This evaluation is designed to give students and Practicum Supervisors an opportunity to discuss performance and suggestions for improvement. If a student is having serious difficulties by this time, he/she may be requested to withdraw from the practicum or may fail.

Final Mark

A Pass/Fail grade is awarded upon completion of the practicum.

Attendance

Regular attendance is essential for success in any course. Absence for any reason does not relieve a student of the responsibility of completing course work and assignments to the satisfaction of the Practicum Supervisor and Assigned Instructor.

Students are required to inform their Assigned Instructor and Practicum Supervisor of any missed time prior to the start of their work day.
