Field Placement II

Calendar Description

On this second practicum, another opportunity given to experience variety of placements and programs available to children and youth at-risk. P/F.

Rationale

This is a required course for Child and Youth Care students. During their practicum, students gain on-the-job experience and are able to link classroom theory with professional practice. Students learn the skills and knowledge required due to the professional demands of the work place.

Prerequisites

YC125

Co-Requisites

Student must have completed or be in the process of successfully completing 8 courses including YC102 with an overall GPA of 2.0 or greater.

Course Learning Outcomes

Upon successful completion of this course, students will be able to

1. demonstrate professional behaviour.
2. adhere to the child and youth care code of ethics.
3. develop relationships with clients, professionals and agencies.
4. identify the role of the child and youth care practitioner in the workplace.
5. communicate with assigned instructor and other professionals in an appropriate manner.
6. accommodate the diversity and individuality among the children, youth and families.
7. respect confidentiality of the child, family, professionals, staff and the Centre.
8. demonstrate stamina to fully engage in the practicum.
9. describe observations and experiences in relation to theories discussed in class.
10. identify strategies the agency uses to support children, youth, and families.
11. monitor personal health and identify self-care strategies.
Resource Materials

Required Text:

Reference Text:
None

Conduct of Course

Students are required to attend and participate in practicum seminar during the term.

Students are placed in a Child and Youth Care agency for four weeks. Students follow the hours scheduled for a full-time employee. Students are expected to be actively involved and demonstrate professionalism in the practicum agency.

Students complete assignments in their Practicum Booklet as part of their course requirements. The assignments must be completed outside of their on-site practicum hours. The Practicum Booklet must be available at the mid-term visit for the Assigned College Instructor to grade.

Evaluation Procedures

Students are evaluated through direct observation and communication with his/her Practicum Supervisor and Assigned College Instructor based on the criteria outlined in the Practicum Evaluation and Practicum Booklet.

Mid-term Evaluation

This evaluation is designed to give students and placement supervisors an opportunity to discuss performance and suggestions for improvement. If a student is having serious difficulties by this time, he/she may be requested to withdraw from or may fail the practicum.

Final Mark

A pass/fail grade is awarded upon completion of this practicum.
Attendance

Regular attendance is essential for success in any course. Absence for any reason does not relieve a student of the responsibility of completing course work and assignments to the satisfaction of the Assigned Instructor. Poor attendance may result in the suspension of a student from the course.

In cases of repeated absences due to illness, the student is requested to submit a medical certificate.

*Instructors have the authority to require attendance.*

**Students are required to inform their Assigned College Instructor and their Practicum Supervisor about any missed time prior to the start of the workday.** Students are required to make up missed practicum hours.

Course Units/Topics

1. Observation of the role of the child and youth care worker
   a. develop awareness of the responsibilities to children, youth and families
