2022/2023 RODEO CLUB HORSE BOARDING APPLICATION

Name: _____

Home Address: _____

Vermilion Address: _____

E-Mail: _____

Telephone Number: _____ Cell: _____

Program of Study: _____

Compete on Rodeo Team:

Member of Rodeo Club:

AST-Equine Student:

Lakeland College complies with the *Freedom of Information and Protection of Privacy Act* of Alberta. Information collected on this form is collected under the authority of Section 33(c) of the Act for the rodeo club administration. The information is used in the normal course of operating programs and/or activities of the college. If you have any questions about the collection and use of this information, please contact the FOIP Coordinator (780-853-8524; FOIP@lakelandcollege.ca).

IMPORTANT:

1. All horse owners **must attend the first Rodeo Club meeting of every month**. Attendance will be taken.
2. Due to limited space, a priority list will be established by the Equine and Rodeo Operations Manager. The manager has the right to designate and change penning/stalling throughout the year. Priority will be given to students competing on the Rodeo Team.
3. No stallions will be admitted.
4. At any time throughout the year, the Equine Manager has the right to move or isolate any horse if the safety or health of that horse or a surrounding horse is jeopardized.
5. Any owner(s) of a horse that is showing signs of neglect or malnourishment will be asked to remove the horse from College property.
6. This is an application. Horses must be accepted before arrival. **NOT ALL applications will be accepted.**
7. Applications must be received by **June 30**. Applying early **will not** necessarily give you priority; however, applications received by the June 30 deadline will be considered before late applications. Applicants will be notified if they have a spot shortly after the deadline.
8. Any horse hurt or injured, or who dies on Lakeland College property is not the responsibility or a liability of Lakeland College or the Lakeland College Rodeo Club. The owner is responsible for any and all veterinary costs. The College does not carry livestock insurance on boarded horses. It is recommended for owners to carry their own personal livestock insurance on their horses.
9. **There is no individual penning for horses.** All horses must be fed by their owner daily.
10. Refer to page 3 for health protocols. **A Coggins test must be submitted before your horse arrives on campus if prior to October 20.** If your horse arrives after October 20, a Coggins test is not required. **Please note Coggins WILL NOT be accepted if done before August 2.**
11. Rodeo club members and students with horses in the Rodeo pens are required to volunteer at rodeo events throughout the year.
12. Students are responsible for their own horses. If a student leaves their horse for others to care for, this is at their own risk and responsibility. The College will not be held responsible.

Horse: Mare Gelding _____ Indicate number of horses

Stall Preference: Box Tie Outside Pen

Requested Boarding Dates: 1st Semester 2nd Semester

LAKELAND COLLEGE RODEO CLUB BARN RENTAL AGREEMENT

I, _____, agree to the following:
(Print Name)

1. The Rodeo Club Barn is to be kept neat and clean. Failure to do your share of the clean-up will cause you to lose your stall.
2. **NO** smoking or drinking allowed in the barns. **NO** drinking in the arena unless it is at a licensed function.
3. Manure is to be dumped in designated areas, **not in front of the doors!**
4. Keep all tack locked up to the best of your ability. **(Note: Tack boxes are only available to horses that are accepted into the Rodeo Barn stalls, 34 stalls = 34 tack boxes.)** *Note: extra tack boxes may be available if all stalls are not rented.*
5. Park horse trailers in designated areas.
6. Keep all alleys swept and clean at all times.
7. Put tools away after use. This includes, but is not limited to manure carts, forks, etc.
8. Keep tack rooms clean. Limited space for tack is available on a first come, first served basis in the tack shed for students who do not have a stall in the Rodeo Barn.
9. Hay is very expensive, so please **do not waste hay**. If you waste the hay, your rent will go up accordingly.
10. Stalls **MUST** be cleaned daily by 10 am. If stall is not kept clean, you will lose your stall privileges.
11. Being allowed in the Rodeo Club Barn is a **privilege**. This means regularly volunteering to help out. Failing to help the Rodeo Club when called upon can also cause you to forfeit your stall. Remember, a lot of students applied for your stall, so look after it!
12. Rent is to be paid at the **beginning of September and January**. You pay for the first semester in September and the second semester in January.

BOARDING FEES PER HORSE:

Outdoor pen (with feed) will be \$900 per semester; tie stalls are \$1000 per semester; and box stalls cost \$1100 per semester. A turn-out pen and feed is included in stall prices. Once a student commits to a spot, you will be required to pay the full board amount for the semester.

13. **STUDENTS MUST PAY FOR THE FULL SEMESTER.** Even though your horse may go home early in December or early in April, you must pay for the full term. Students who are on campus for two months or less, will pay a monthly rate of \$200 per month.
14. Failing to understand any of these rules will not be accepted as an excuse; ask questions if you are unclear.

LAKELAND COLLEGE HEALTH PROTOCOLS FOR HORSES BOARDING ON CAMPUS

1. No stallions will be admitted onto campus.
2. All horses are required to have a **Coggins** test between **August 2 and 30, 2022**. Proof of a **negative** Coggins test must be presented to the office of the Equine and Rodeo Operations Manager, **at least 24 hours before** the arrival of your horse on campus.
3. The following vaccinations must be current and required boosters given if necessary. Proof of purchase or a vaccine certificate from your veterinarian **must** be presented to the office of the Equine and Rodeo Operations Manager, **at least 24 hours prior** to the arrival of your horse on campus.
 - a) **Eastern and Western Encephalitis, and Tetanus - "3 way vaccine"**
Must be given within six months of arrival.
 - b) **Equine Influenza and Equine Rhinopneumonitis**
If the horse has not received this vaccine before, it will require two vaccinations – the first between **July 2 and 30**, with a booster vaccine **3 to 4 weeks after** initial vaccination.

If the horse has been given this vaccine within the past 12 months, they will require a single booster vaccine between **August 2 and 30**.

All horses will **require** revaccination for Equine Influenza/Rhino between **December 15, 2022, and January 15, 2023**.
 - c) **Strangles (intranasal vaccine)**
If the horse has not received this vaccine before, it will require two doses – the first dose should be given between **July 2 and 30**, with a booster vaccine to be given **3 to 4 weeks later**.

If the horse has been given this vaccine within the past 12 months, they will require a single booster **August 2 and 30**.

Please note: Strangles intranasal vaccine should **not** be given to horses that have had an active Strangles infection within the past 12 months.

It is not recommended to give the Strangles intranasal vaccine on the same day as any intramuscular vaccine. If unable to follow this recommendation, always give the **intramuscular** vaccine first.

In high risk areas, a booster vaccine for Strangles is recommended at six-month intervals.
 - d) **West Nile Vaccine**
Recommended, but not required.
4. All horses must be dewormed after **August 15, 2022**, and **before arrival** on campus. Proof of purchase is required upon arrival.
5. Students are responsible for maintaining adequate health care for their horse. This includes follow-up vaccinations, deworming, hoof care, dental care and any other necessary veterinary care as required. It is the student's responsibility to arrange for health care for their horses from local veterinary clinics. **College staff veterinarians are not able to perform veterinary services on privately-owned horses.**
6. If your horse shows signs of infectious disease, such as:
 - Nasal discharge
 - Cough
 - Swelling under the jawYou are required to immediately notify the Equine and Rodeo Operations Manager. The horse may be isolated and restricted from participation in College events.
7. Lakeland College requires proof of a current vaccination status from your local veterinarian. We suggest when your horse is seen by your veterinarian for its Coggins test, that the vaccinations be administered at the same time. Intranasal vaccinations can be difficult to administer and some horse owners have trouble giving them correctly. Since the health of our entire herd of horses, as well as all horses competing at the intercollegiate rodeo level depends on everyone's individual compliance, it is important that each horse has up-to-date vaccinations.
